# Litigation Funding & Costs

## Profile

---

Craig practices exclusively in all aspects of costs and litigation funding. He provides strategic advice in contentious and non-contentious costs issues arising in both civil and criminal matters. He regularly appears before all levels of judiciary from the County Courts and the Supreme Court Cost Office as well as appearing before the High Court and Court of Appeal on important points of principle. His expertise on influential cost questions is regularly sought after in test cases. Craig has a particular expertise in the incidence of costs, managing broken retainers and issues arising from assignment/novation. Craig is particularly praised for his ability in matters concerning issues of conduct, especially in solicitor and own client matters. Craig is a qualified mediator and is registered for Public Access work; receiving instructions directly from members of the Bar and costs professionals in relation to fee recovery in both Civil and Criminal matters. In addition to his advocacy, advisory and mediation work, Craig is highly sought after for his engaging bespoke lectures and seminars.

Craig is an experienced costs mediator and CADR Panel member.
