College London; LLM Master of Laws,
University College London (Distinction);
BTC (Distinction)

Clerked by: Mark Ronson Gary Smith

AREAS OF EXPERTISE:

Administrative & Public Law
Environment Licensing Local
Government Planning

Profile

Shem practises across all areas of administrative and public law, with a particular specialism in planning, highways, licensing, regulatory and local government law. He acts for both developers and local authorities. He has acted in a range of public inquiries and hearings, judicial review proceedings, enforcement appeals and local authority prosecutions. He has experience in a variety of areas from planning applications (including those with particular focuses on permitted development rights, amendment applications, changes of use, discharge of conditions, s.106 agreements and listed buildings) to village green applications, highways matters, compulsory purchase orders and development consent orders. Shem also regularly acts in licensing appeals and with prior experience assisting NGOs also accepts instructions in cases involving human rights matters.

Shem successfully completed a specialist planning and public law pupillage at Kings under the supervision of Jonathan Easton and John Hunter. Before joining Chambers, Shem specialised in judicial review at masters level.
