Next steps

Please complete and return your form to us using the contact details at the start of the form.

Once we have received your completed form it will be forwarded to a barrister who will then evaluate whether they feel they are able to assist with your matter / claim. Should this be the case you will receive a client care letter together with a copy of the terms of engagement. It is important that you fully read and understand these documents as they will form the contract between you and the barrister.

Once your matter / claim has been accepted by a barrister we will ask you to provide documents verifying your identity which is required for Anti-Money Laundering due diligence. If applicable, payment for services will also be required at this stage.

Please note that we require funds to be cleared with us no later than 5 working days in advance of a barrister starting work.
