

Property Flagship 2026

# Laying the Foundations

Preventing, Mitigating and Overcoming Impediments to the Development of Land.

Built around a live case study, this practical conference will explore the issues that can arise throughout the development process and how to prevent, mitigate and overcome the obstacles that can delay or derail development.

Through a series of short, focused talks, our property specialists will cover:

- Adverse possession
- Possession proceedings
- The 1954 Act and lease/licence issues
- Covenants blocking development
- Section 106 agreements
- The planning landscape
- Modification and discharge of covenants

*Speakers include:*

Wilson Horne, Richard Lander, Matthew Hall, Geraint Wheatley, Nathan Smith, Constanze Bell, Harry Dyson, Ian Cooper, Andrew Small and Martha Garcia.
