	0345 034 3444

Emily is a member of the Personal Injury and Clinical Negligence team, having successfully completed pupillage under the supervision of Victoria Heyworth and Louise Green.

During pupillage, Emily gained experience dealing with high-value complex clinical negligence cases.

Emily has experience successfully representing both Claimants and Defendants in a variety of hearings including small claims trials and disposals (both MOJ Stage 3s and OIC hearings), fast track trials, application hearings, and case management hearings.

Emily also has experience representing families in Inquests and acting in regulatory hearings on behalf of Registrant Nurses before the Nursing and Midwifery Council.

Emily has first-hand experience drafting a wide range of documents including but not limited to: defences, particulars of claim, advices and applications. Emily accepts instructions for all types of written work alongside her court work.
